Next Board Meeting

The next board meeting will be held June 1, 2008 at Randy Spencer's home at 10:00 AM.

DUES

We thank everyone that has sent their yearly dues in on time. We have a few outstanding dues yet that must be paid, please remit payment so no fines are assessed.

Scarlet Oak Cul-de-sac Cleanup

The retention basin cleanout project will begin in spring or early summer. Looking for volunteers to help with this project. Call Ron Schroth or Randy Spencer if interested.

Just a friendly reminder to put away the Christmas lights and get ready for Spring Cleaning!

Ashley Oaks Website

We now have a website that will have the trustees as well as other information for our residents in Ashley Oaks. The site can be reached as www.ashleyoakshoa.org. The site will include upcoming events within the development.

Entrance Signs

A Sign Committee has been formed to seek designs for our entrances to the development. Linda Wozniak and Randy Spencer are to head this committee.

By-Laws and Covenants

Please contact Linda Wozniak at whwlmw@roadrunner.com if anyone needs a CD-ROM copy of our current bi-laws & covenants. Paper copies are no longer available. In the future, you will be able to view these documents on our website, www.ashleyoakshoa.org.

Save Money!

You can reduce the costs of mailing our newsletter and other important information by receiving it electronically. Visit the Ashley Oaks website, www.ashleyoakshoa.org, and sign up for our email list. This can be accomplished under the contacts tab.

Licensed Fertilizer Specialist
& Certified Arborist

It's time to schedule your Spring Core Aeration
Visit our website www.jumpstartlawn.com or
Call (440)235-9694

We are your complete lawn care company with a licensed Fertilizer Specialist & Arborist, fertilization programs, and tree & shrub care.

Sign up for 5 Step Fertilization Program and receive \$20 off any application or a \$25 Core Aeration for lots under 1 acre.

Core aeration \$45 for lot under 1 acre

Aeration loosens hard, compacted soil that results in deeper, thicker, healthier and stronger turf grass roots.

THATCHING STARTING AT \$65

Thatch that is greater than 1/2 inch blocks out air, light, water and fertilizer from reaching root zone.

SLICE SEEDING STARTING AT \$100

Replaces thin turf with new improved better adapted grasses by cutting grooves or lines about 1/4 of inch deep into the soil and dropping new seed at the same time
